March 2007

Dear Potential Exhibitor:

We are pleased to invite you to take advantage of an opportunity to exhibit your products, programs or services at the **34th Annual Arizona Rural Health Conference *Traditions and Technologies: Rural and Public Health Responding to Change*** to be held July 30 - August 1, 2007 at the Fort McDowell Radisson Resort in Fountain Hills, Arizona. The conference has a reputation of drawing focused and dedicated attendees who represent the full spectrum of rural, border and tribal leaders from around the state. They come with plans to go back to work with solutions and new contacts for their organizations. Exhibitors provide a major part of their solutions. You can make a meaningful commitment to rural communities and meet your own goals by being an exhibitor at this year's conference. We also offer sponsorship opportunities – select one from the included form or contact us if you don't see one that meets your needs.

Conference attendees are encouraged to visit the exhibits throughout the conference and especially during four designated times for meals, breaks and an Exhibitors' Reception.

Raffle drawings will be held during the designated times listed above. If you wish to donate a prize for the raffle drawing, please complete line two on the included form.

The exhibit fees are reasonably priced at \$250 for non-profit and \$400 for-profit organizations. Benefits of exhibiting at the Annual Arizona Rural Health Conference include:

- Having your organization or company recognized as being **a leader in the field of rural and public health solutions**
- **Exposure of your organization or company** to a passionate group of state, regional and community leaders in the field of rural and public health who share successes with colleagues
- **Acknowledgement** within the conference program and on the Arizona Rural Health Conference website
- **Free conference registration** that entitles you to attend all sessions and functions
- **Exhibit space** (6 ft table or floor space)
- **Networking opportunities** at pre-conference events planned for July 30 and throughout the conference.

To reserve space for your exhibit, please complete the attached form and return on or before **May 31**. If you have any questions, please contact Rebecca Ruiz at (520) 626-2243.

Sincerely,

Co-Chairs for the Arizona Rural Health Conference 2007 Statewide Planning Committee:

Jennifer Peters  
Coordinator for Community Health Promotion,  
Rural Health Office, UA MEZCOPH

Rick Swanson  
President-Elect, Arizona Rural Health  
Association Inc.
