

# Border Health Webliography of Resources

## **American Immigration Center**

<http://www.us-immigration.com/>

U.S. Immigration and U.S. Citizenship information and documents.

## **¡BIEN! - The Border Health Information and Education Network**

<http://www.nmsu.edu/~bec/bien/>

Border Health Programs and Resources, Border Health Organizations, Border Health Reports

## **Centers of Disease Control and Prevention (CDC)**

<http://www.cdc.gov/search.do?action=search&queryText=border+health>

A canned search for “border health” yields a list of resources within the CDC web site.

## **Farmworker Eye Network**

<http://www.fenet.org/>

The Farmworker Eye Network (FENet) is a unique network for health providers, health educators, outreach workers and researchers which will link them with the resources necessary to respond to the occupational dangers and other vision problems faced by Farmworkers.

## **Farmworker and Colonia Communities – (Housing and Urban Development)**

<http://www.hud.gov/groups/colonias.cfm>

HUD helps people find decent housing and make their communities better. Two groups in rural America that particularly need help are colonias residents and farmworkers.

## **Health Angels**

<http://www.rwjf.org/portfolios/features/profiledetail.jsp?featureID=1089&type=1&iad=141>

People who help improve access to health care and other essential services.

## **Migrant Clinicians Network**

<http://www.migrantclinician.org/>

The Mission of the Migrant Clinicians Network is to positively impact the physical, mental, and environmental health of Migrants and other mobile, underserved populations.

## **Migrant Health Program – Health Resources and Services Administration**

<http://www.bphc.hrsa.gov/migrant/default.htm>

The Migrant Health Program (MHP) currently provides grants to 134 public and nonprofit organizations that support the development and operation of over 400 migrant clinic sites throughout the United States and Puerto Rico.

## **National Center for Farmworker Health (NCFH),**

<http://www.ncfh.org/>

The National Center for Farmworker Health (NCFH), established in 1975, is dedicated to improving the health status of farmworker families by providing information services and products to a network of more than 500 migrant health center service sites in the United States as well as other organizations and individuals serving the farmworker population.

## **Office of Border Health (OBH)**

<http://www.azdhs.gov/phs/borderhealth/>

The mission of the Office of Border Health (OBH) is to promote and protect the health of all border area residents through sound, competent public health practices along the Arizona-Sonora border.

## **Rural Assistance Center**

<http://www.raconline.org/>

RAC helps rural communities and other rural stakeholders access the full range of available programs, funding, and research that can enable them to provide quality health and human services to rural residents.

## **Secretaría de Salud**

<http://www.salud.gob.mx/>

Contribuir a un desarrollo humano justo, incluyente y sustentable, mediante la promoción de la salud como objetivo social compartido y el acceso universal a servicios integrales y de alta calidad que satisfagan las necesidades y respondan a las expectativas de la población, al tiempo que ofrecen oportunidades de avance profesional a los prestadores, en el marco de un financiamiento equitativo, un uso honesto, transparente y eficiente de los recursos, y una amplia participación ciudadana.

## **Secretaría de Relaciones Exteriores**

<http://www.sre.gob.mx/>

"Ampliar y profundizar las relaciones políticas, económicas, culturales y de cooperación con las distintas regiones del mundo a favor del desarrollo integral de todos los mexicanos".

## **The Transborder Consortium**

<http://bdrhlth.web.arizona.edu/>

Research and action on gender and reproductive health at the Mexico-U.S. border.

## **Tox Town**

<http://toxtown.nlm.nih.gov/index.html>

An introduction to toxic chemicals and environmental health risks you might encounter in everyday life, in everyday places.

## **U.S. Citizenship and Immigration Services**

<http://www.uscis.gov/graphics/citizenship/welcomeguide/index.htm>

Welcome to the United States: A Guide for New Immigrants is a publication for new permanent residents. This comprehensive guide contains practical information to help immigrants settle into everyday life in the United States, as well as basic civics information that introduces new immigrants to the U.S. system of government.

## **U.S.-Mexico Border Environmental Program: Border 2012**

<http://www.epa.gov/usmexicoborder/>

Border 2012 is a 10-year, binational, results-oriented environmental program for the U.S.-Mexico border region. The Border 2012 Program is the latest multi-year, binational planning effort to be implemented under the La Paz Agreement and succeeds Border XXI, a five-year program that ended in 2000.

## **United Farm Workers**

<http://www.ufw.org/>

To provide farm workers and other working people with the inspiration and tools to share in society's bounty.

## **United States-Mexico Border Health Commission (USMBHC)**

<http://www.borderhealth.org/>

The Commission is comprised of the federal secretaries of health, the chief health officers of the ten border states and prominent community health professionals from both nations. The USMBHC has the unique opportunity to bring together the two countries and its border states to solve border health problems. The Commission provides the necessary leadership to develop coordinated and binational actions that will improve the health and quality of life on the border.

## **USA - Mexico Border Health**

<http://borderhealth.raconline.org>

With funding from the U.S. Department of Health and Human Services' Office of Rural Health Policy (ORHP), this web site has been developed to provide assistance on funding and information resources to U.S. – Mexico Border health grantees and interested parties. Information in English and Spanish.
